

Project Superintendent (Agribusiness Division)

BASED IN SHAKOPEE, MN | WILLING TO TRAVEL

Position description

Projects could include dry fertilizer storage and blending facilities, grain storage facilities, and bulk chemical/liquid fertilizer/seed warehousing. The Project Superintendent is responsible for ensuring that each and every project undertaken is completed on-time and under the budgeted cost estimate while meeting management and customer objectives for safety, quality and flexibility. To carry out these responsibilities on a daily basis, the Project Superintendent is to produce and utilize management tools such as (but not limited to) time cards, daily reports, safety inspections, submittal logs, change order logs, quality control logs and project schedules.

Qualifications

- Preferred: 2-4 year Associate degree in Construction Management from an accredited college or university
- Five (5) years' experience with a design/build general contractor who self performs concrete, masonry, carpentry and/or pre-engineered building construction
- Knowledgeable of agribusiness construction and equipment packages including conveying systems
- Must have direct supervisory skills over construction crews ranging in size from 10 to 50 field personnel. The direct supervisory skills include assigning labor, providing safety/OSHA instruction, performing cost control procedures, and maintaining all necessary supporting documentation of the aforementioned activities
- Willing to travel
- Results-orientated with proven ability to organize, plan and prioritize work to meet deadlines
- Strong ability to coach, mentor and direct others; demonstrated skills in managing people and projects
- Able to apply sound judgment and problem solving skills to complex projects and business challenges
- Solid reputation for building excellent relationships with internal and external customers
- Excellent verbal, written, and presentation skills; communicates effectively with management, employees, customers, and vendors
- High level of motivation, integrity, and commitment to team and customers
- Strong work ethic, decisive, ambitious, with an unwavering commitment to quality and professional work.
