

Commercial Carpenter

Position description

The Carpenter safely performs all carpentry and assigned tasks on job sites. Carpenters are responsible in performing work to the highest quality and safety standards while also assisting less experienced team members. Carpenters will report directly to the Foreman or Superintendent on site.

Responsibilities

Essential Duties

- Maintain personal safety and ensure operations allow for the safety of others
- General carpentry framing with wood and steel studs: ie: walls, stairs, roofs and floors
- Inspection and operation of hand and power tools
- Inspection and operation of aerial equipment, skid steers and forklifts
- Lead, teach, and oversee carpenters and laborers as tasks are being performed
- Ability to lead the crew for short durations in absence of the foreman
- Observing and enforcing utilization of all safety equipment following requirements of Greystone, OSHA and the Client
- Demolition
- Installation of windows, doors and hardware
- Assembly of bathroom partitions and accessories
- Modify and install cabinets and countertops
- Install and tape drywall
- Unload materials, store efficiently and stage jobsite for operations
- Maintain a clean and safe job site
- Perform other related duties as required

Knowledge and Abilities

- Ability to read and comprehend blueprints
- Knowledge of acceptable construction site practices including occupational safety and health regulations
- Ability to comprehend and follow complex direction
- Determine the kind of tools and equipment needed to complete each task assignment
- Must be comfortable with high intensity work environment
- High level of motivation, integrity, and commitment to team and customers
- Strong work ethic, decisive, ambitious, with an unwavering commitment to quality and professional work

Qualifications

- Previous carpentry experience required
- Ability to travel to job sites as required
- Results-orientated with proven ability to organize, plan and prioritize work to meet deadlines
- Able to apply sound judgment and problem-solving skills to projects and challenges

Greystone Construction is an equal opportunity employer/contractor.

Working Environment / Physical Requirements

- Sitting, standing, walking un-even surfaces, climbing, kneeling, lifting up to 50 lbs on a regular basis and occasionally lifting up to 80 lbs
- Must be capable of working on job sites where temperatures and noise level can fluctuate, and the ability to see, hear, and verbally communicate with co-workers and clients as needed
- Must have near visual acuity to review written documentation
- Ability to wear job required Personal Protective Equipment
