

Concrete Finisher

Position description | The Concrete Finisher safely performs tasks including forming, placing, and finishing concrete products to meet and exceed industry standards. Concrete Finishers report directly to the Foreman on site.

Responsibilities | Essential Duties

- Maintain personal safety and ensure operations allow for the safety of others on the job site
- Safely operate hand and power tools of all types; air hammers, earth tampers, cement mixers, pumps, power saws, buggies, trawls, pressure washers, forklift, skid steers, surveying and measuring equipment
- Perform concrete preparation and finish work on commercial and industrial buildings
- Form and pour strip and pad footings
- Form and pour wall foundations using primarily Symons forms and lumber
- Prepare for pouring concrete including fine grading, placing reinforcing steel and setting trench drains and bollards
- Pour floors with pump trucks, buggies, screeds, floats and trowels
- Cut and seal floors after pours
- Demolition of existing concrete in commercial buildings
- Patch and repair concrete surfaces in preparation for floor coverings
- Haul demo materials to dumpster
- Unload materials and store efficiently onsite
- Maintain a clean safe job site
- Keep work areas supplied with materials and clear of construction debris
- Perform other related duties as required

Knowledge and Abilities

- Knowledge of acceptable construction site practices including occupational safety and health regulations
- Ability to communicate both orally and in writing with internal and external clients and co-workers
- Ability to follow direction is required

- Ability to determine the tools and equipment needed to complete each task effectively
- Must be comfortable with high intensity work environment
- High level of motivation, integrity, and commitment to team and customers
- Strong work ethic, decisive, ambitious, with an unwavering commitment to quality and professional work

Qualifications

- 2 years previous concrete finishing experience minimum
- Ability to travel to job sites as required
- Able to read and interpret plans, specifications, and shop drawings
- Results-orientated with proven ability to organize, plan and prioritize work to meet deadlines
- Able to apply sound judgment and problem-solving skills to projects and challenges

Working Environment / Physical Requirements

- Sitting, standing, walking un-even surfaces, climbing, kneeling, lifting up to 50 lbs on a regular basis and occasionally lifting up to 80 lbs.
- Must be capable of working on job sites where temperatures and noise level can fluctuate, and the ability to see, hear, and verbally communicate with co-workers and clients as needed.
- Must have near visual acuity to review written documentation.
- Ability to wear job required Personal Protective Equipment.

About Greystone

At Greystone, we don't offer jobs. We offer careers. We offer ample opportunity for career advancement, rewarding work, and a family atmosphere.
